The County Commissioners shall furnish said Auditors all the aid and information required by them in the performance of their duties, and shall recommend to the County Convention the sum necessary to be raised for the county for each of the two years ensuing, stating in detail the objects and purposes for which the money is to be appropriated and applied.

The sheriff, the jailer, the physician, the clerk of the court, the solicitor, the treasurer, the county commissioners, and the superintendent of the county farm, of each county, shall make up their reports, separately, to May first, annually, and the same shall be printed together in pamphlet form, in said month of May, and said reports shall be distributed as now provided by law.

The reports of the several officers named shall contain a summarized account of all their transactions which concern the county, for the current year ending as aforesaid, and the report of the superintendent of the county farm shall contain, in addition, a list of the paupers actually supported at the farm, and the number of weeks each was so supported; and also a statement of the average cost per week for each pauper, with an explanation of the basis upon which said calculation was made.

It shall be the duty of the County Commissioners of each county to publish attested copies of the proceedings of the County Convention, with the printed reports of the county officers for the year in which such proceedings shall have occurred.

COMMISSIONERS' REPORT.

TO THE CITIZENS OF ROCKINGHAM COUNTY :

In obedience to the laws of New Hampshire, we submit this the sixteenth annual report of your Commissioners, together with the reports of the Superintendent of the County Farm and House of Correction, Physicians, Chaplain, Sheriff and Jailers, Solicitor, Clerk of the Supreme Court, and Treasurer of said County.

The amounts appropriated by the County Convention in June, 1883, for the expenses of the current year were as follows :

Supreme Court,	\$2,000 00
State pay-roll,	4,000 00
Jury pay-roll,	2,500 00
County Farm expenses,	22,000 00
Paupers off the Farm,	11,000 00
N. H. Asylum for Insane,	500 00
State Industrial School,	1,000 00
Jail expenses,	5,000 00
Payment of debt and interest,	2,500 00
Sheriff, Deputies and Court Messengers,	2,500 00
Commissioners, Solicitor and Treasurer,	3,000 00
Justice and Officers' fees,	1,000 00
New Index,	500 00
Registry of Deeds and Probate expenses,	500 00
Miscellaneous expenses,	2,000 00
	<hr/>
	\$60,000 00

The sums expended the current year were as follows :

Supreme Court,	\$229 03
State pay-roll,	4,741 90

Jury pay-roll,	\$1,377 60
County Farm expenses,	23,452 29
Paupers off the Farm,	11,548 19
N. H. Asylum for Insane,	1,166 44
State Industrial School,	579 86
Jail expenses,	7,010 81
Payment of debt and interest,	2,565 00
Sheriff, Deputies and Court Messengers,	1,554 11
Commissioners, Solicitor and Treasurer,	3,062 25
Justice and Officers' fees,	1,139 53
New Index,	101 20
Registry of Deeds and Probate expenses,	935 74
New Asylum,	1,496 24
Miscellaneous expenses,	1,738 37

There have been extra expenses at the County Farm this year, such as repairs on heating apparatus, building new dam, and teaming, brick, lumber and stone, for old and new asylum. These expenses, with a decrease in the average number of inmates, may account for the increase in cost per week of each pauper supported at the farm.

In anticipation of appropriations made by the County Convention in June last, we have bought brick, lumber, etc., for a new wing to the Asylum for the Insane, and hope to have the building completed early this fall, which will give excellent accommodations for this large class of unfortunates.

Our request for books, magazines and papers for the Library established at the County Farm has been liberally responded to.

We gratefully acknowledge donations from Hon. John J. Pillsbury, of Northwood, Oliver Hunt, Esq., of Danville, Amanda Brown, of Exeter, Mrs. Anna Smith, of Epping, Samuel Taylor, of Brentwood, Charles T. Brown, of Hampton Falls, Ladies' Temperance Union, of Derry, the Misses Foster, Miss Harriet McE. Kimball, Moses Brothers, Mrs. Banfield, Public Library, and Methodist Sunday

School of Portsmouth. Such contributions are always welcome. In addition to those who can appreciate general reading matter, there are many feeble minded at the farm who can amuse themselves with a book or paper and occupy many hours that would otherwise be idle.

Items of receipts, expenditures, etc., will be found in the several reports.

AUDITORS' REPORT.

EXETER, May 18, 1886.

We, the Auditors for the County of Rockingham, have carefully examined the accounts of the County Commissioners for said County, and find them correctly cast, and with proper vouchers for all expenditures. From the best evidence by us obtained, we are satisfied that the articles procured by the Commissioners for the use of the County have been purchased at a fair market value, and have not been diverted from their legitimate use.

PHYSICIANS' REPORT.

TO THE COMMISSIONERS OF ROCKINGHAM COUNTY :

Gentlemen: In submitting to you the sixteenth annual report of the medical department and sanitary condition of the County Almshouse, House of Correction and Insane Asylum, we have only to reiterate what has been said before. There has been the usual amount of sickness, suffering and death, which must inevitably happen to that class inhabiting this and like institutions; we are, however, compelled to chronicle the invasion of diphtheria for the first time since the opening of the buildings for the reception of inmates. Some time during the month of November this disease made its appearance, quite a number being taken with it nearly at the same time. All the pupils attending school were carefully examined, and every one with a suspicious looking throat was at once separated from the others and all communication prevented; still it spread, from the fact, undoubtedly, that all had been exposed to its cause, whatever that might have been. A large proportion of the cases were mild and amenable to treatment; two, however, fell victims to the sequelæ or consequences of the original disease, one from diphtheritic croup, the other, although the utmost care was taken to prevent it, from broncho-pneumonia. The buildings were at that time, as they always had been, and are at the present time, kept neat and clean, and as well ventilated as circumstances will admit. During the month of September all the inmates who had not been recently vaccinated were subjected to that operation with pure bovine lymph, care being taken to see that the pustule resulting therefrom ran its usual course, and thus afforded the maximum protection to that dreaded disease, small-pox. -

Notwithstanding the rather disproportionate number of

deaths in the Insane Asylum, the present number is in excess of former years, and we are gratified in noting the fact of the immediate prospect of more room and better accommodations for this most unfortunate class. There are now fifty-nine patients, an increase of eight since the last report—twenty-four males and thirty-five females. Forty are suffering from chronic mania, four from dementia, five from recurrent mania, three from puerperal mania, three from epilepsy, two each from nymphomania and melancholia. There have been twenty-two deaths and two births in the institution during the year.

Frank McConihue, insane, died May 20, 1885, of paralysis, aged 34; admitted Aug. 8, 1878, from Plaistow.

George O. Everett, insane, died June 7, 1885, of consumption, aged 40; admitted May 3, 1881, from Derry.

CHAPLAIN'S REPORT.

TO THE HONORABLE BOARD OF COMMISSIONERS FOR ROCK-
INGHAM COUNTY :—

Gentlemen :—In making this, my annual report, it is my privilege to say that, according to my limited abilities, I have performed the routine duties of my office, and such other work for the moral and spiritual improvement of the different classes of persons found at this institution, as I have been able.

Preaching services have been held twice a month, with an occasional extra service.

Special funeral services have been held when requested. Meetings for prayer, conference and song have often been held on week days, and personal visitations have been made and conversations held, chiefly with the sick.

During the latter part of winter and spring several evening services were held in which considerable time was spent in singing Gospel Hymns. These services were largely attended by the prisoners, as well as others, and many of them joined in the singing with much manifest interest. I have reason to believe that some hearts were touched with feelings of tenderness, and desires for a better life awakened. I felt that by such means I had at length, in some measure, found what I had long ardently desired, an avenue to the hearts of these strong but misguided young men. Should I continue in this work, I hope to ply these means with more vigor.

In view of the fact that the use of intoxicating drinks is the direct cause of bringing to this house nearly all the

prisoners, and many of the poor as well, I have in my preaching, given special prominence to the subject of temperance, showing in various ways the baneful effects upon body and mind of *alcohol in whatever form or combination*; and urging the importance of *total abstinence*. As I consider this part of my charge, most of whom are in the vigor of manhood, and many of them intelligent and naturally capable of filling honored places in society, I cannot repress a feeling of sadness at the thought that a depraved appetite, in the presence of temptations which in this state would not exist were all our laws faithfully enforced, has brought them to their present condition of poverty and degradation. Could those pestiferous fountains, the low groggery and the gilded saloon, be dried up, there would be great hope of saving these men. Even now, we feel that a faithful use of the means of grace, administered in kindness, may avail to snatch a few of these souls as brands from the burning.

On the whole, I have been gratified at the attendance upon the various services by all classes, with the excellent order which has been constantly maintained, and the interest always manifested.

There are in this institution a few persons of undoubted piety, some others, who, in much weakness and with many obstacles naturally lying before them, are struggling toward a better life, and a charitable mind cannot doubt that the loving Saviour recognizes among them some of his own.

I am sorry I cannot report *many conversions*, and, in view of this fact, sometimes raise the question whether I ought not to consider my work here a failure. Yet it is something to have been permitted to speak words of counsel and comfort to the afflicted and dying, to have cheered and helped on a few struggling souls in the way of life, and to have preached Christ and his great salvation to many who otherwise might have been without the means of grace.

My thanks are due, and cheerfully rendered, to all the offi-

cers and employes of the institution for their uniform courtesy and kindness, and to the various friends who have contributed reading matter, or by their frequent presence at the services and assistance in rendering music, have added to the interest and good effects of the meetings.

Respectfully submitted,

E. B. PIKE, Chaplain.

SHERIFF'S REPORT.

TO THE CHAIRMAN AND BOARD OF COUNTY COMMISSIONERS :

It becomes my duty, as it is a pleasure, to submit to you my tenth annual report as Sheriff of this county.

On the 30th day of April, one year ago, there were fourteen inmates in this (Portsmouth) jail; to-day there are thirteen. As it will appear further on in this report, the number of prisoners committed here during the past year is larger than for any previous year of my administration, and the average number one-third more, hence the increase in the jail expenses. Notwithstanding the increase of prisoners it will be seen that the Court expense has decreased in the past year nearly one-third, a gratifying, noticeable feature for several years. It would seem that with a regular increase of criminal matter, the Court expenses would correspondingly be larger, but such is not the fact—they have been annually growing less.

During the past year there have been committed to this jail 105 prisoners, to wit :

Aggravated assault,	7
Simple assault,	2
Breaking and entering and larceny,	4
Breaking and entering Post Office,	2
Brawl and tumult,	1
Bastardy,	1
Counterfeiting coin,	2
Drunkenness,	20

Larceny from person,	1
Suspicion of murder,	1

Trespass,	1

Lowest	13
Average,	25
Males,	102
Females,	3
Native born,	68

Committed to State Prison,	15
In jail at present,	13

Relative to the sanitary condition of the prisoners, with the exception of a few cases, there has not been any sickness, other than such as is incident to persons of the character usually committed to prison. One person had kidney trouble, and upon consultation with Commissioner Johnston he and myself became bail for him and he was removed to Brentwood hospital where he is at present. One other sufferer from syphilitic disease, who was serving a sentence, I procured a pardon for and sent him to his home in Maine. Another unfortunate young man from Newmarket, who was also serving a sentence, and very low with a lung complaint, I procured a pardon for, both of which acts were done by and with the advice and instruction of Solicitor Eastman, upon the medical testimony of Dr. Parsons.

Dr. Jeremiah F. Hall, who has been the jail physician for

the dozen years last past, has recently been obliged to retire from practice, on account of ill health, and Dr. John W. Parsons now acts in his place. Dr. Hall has been a faithful attendant upon the prisoners and has given them excellent moral, as well as professional, advice.

Religious services have been held in the jail on Sundays—principally by Dr. E. B. Goodall, Dr. Daniel W. Jones and Andrew J. Penhallow—other gentlemen and sometimes ladies have take part in the services.

As appears in my previous reports, for many years Alfred W. Haven, Esq., of this city, has been the prisoners' constant friend. As long as he was able to walk he made frequent visits to the jail with reading matter and little articles of comfort for the inmates, always bestowing a kind word. After he became confined to the house he sent a package of reading matter every Sunday until his lamp of life went out. During the year other very kind and thoughtful persons have contributed appropriate reading matter, viz.: John Sise, Esq., Andrew P. Preston, Esq., Rev. John L. Elwyn, Hon. Marcellus Eldridge, Mrs. J. Albert Walker, Mrs. John T. French, Mrs. O. M. Knight, Col. Wm. H. Hackett, Lewis W. Brewster, Esq., *Portsmouth Journal*; Alpheus A. Hanscom, Esq., *Portsmouth Daily Times*; John B. Clark, Esq., *Manchester Mirror*; Mrs. James Sanborn.

I embody and make a part of this report the following communication from Deputy Jailer George W. Tilton at the Exeter Jail. It will be observed that the whole number committed there is greater than the previous year, but the average a trifle less. I commend the excellent management of the Exeter Jail to the Board of Commissioners:

EXETER, May 1st, 1886.

COL. J. HORACE KENT, SHERIFF:

I would respectfully report, as Deputy Jailer at Exeter, that there have been committed to this jail during the year

ending April 30th, 1886, eighty-one prisoners, charged with offences as follows :

GEORGE W. TILTON, Deputy Jailer.

I desire to thus publicly return my thanks to Solicitor Eastman for his ready and constant counsel and aid in the

county criminal matters. It is my practise, when possible, to consult him on all cases reported to me, before proceeding therewith, and abide his judgment.

It is a pleasure also for me to favorably call attention to the excellent manner in which my deputies transacted all business placed within their hands, civil and criminal.

In conclusion, gentlemen, permit me to also thank you, collectively and individually, for the the courtesy and kindness shown me during the year; and to the people of the county, who have always treated me with unmeasured favor, I am especially indebted.

Respectfully &c.,

J. HORACE KENT, Sheriff.
